Dear parent / carer

The Cleft Lip and Palate Team at Addenbrooke's Hospital have been asked by CLAPA to formally invite you and your family to an **Annual Event on Sunday 8th May 2011**, from **1-4pm** at the **Hexagon Hall, Frank Lee Centre**, Addenbrooke's Hospital Site.

CLAPA, along with its volunteer branch in Cambridge hosts events at Addenbrooke's Hospital and invites families from across East Anglia to come together. As with previous events, the staff from the Cleft Team will be there on day to meet you more informally. Staff from CLAPA will also be there and will be taking the opportunity to launch their **Regional Coordinators Project** which is being piloted in the East of England. **Claire Cunniffe**, the new **Regional Coordinator**, and **Sue Carroll**, **CLAPA's Deputy Chief Executive** will be there to tell you more about the project and CLAPA's plans for the future. CLAPA and the Centre for Appearance Research (CAR) would also like to invite you to take part in a focus group on the day to put forward your ideas for how CLAPA can best support you at a local level. Entertainment for children will be provided by a **Clown Doctor** from the **Theodora Children's Trust**.

We look forward to welcoming you on the day.

Best wishes

CLAPA in conjunction with The Cleft Lip and Palate Team
