Dear Parent or Carer:

The Cleft Lip and Palate Team at Addenbrooke's Hospital have been asked by the 'Cleft Lip and Palate Association – Cambridge Branch to notify you and your family of this event. CLAPA – Cambridge hosts events at Addenbrooke's Hospital and invites families from across East Anglia to help children and parents meet each other. As in previous years, some of the Cleft Team Staff will be there for you to meet more informally.

You can also get information about CLAPA events in the East Anglian region on the website [www.clapa.cambridge.com](http://www.clapa.cambridge.com).

These CLAPA events have proved popular and very valuable to parents. However, should you wish to **not** receive information about 'CLAPA Cambridge' events in the future, please don't hesitate to contact us to advise us of this, so we can make a note of it on our departmental database. You can contact Sue Burgess, Cleft Team administrator on 01223 596092 to let us know.
