## Press Relief: The News Community Fund

Charity Registration Number 1099122

The Press Relief charity was founded in 2003, with the aim of using the influence of the Cambridge News and all the other publications within the Cambridge Newspapers Limited group, to its best effect - to help raise cash for local charities. More than £400,000 has been raised so far, and funds have been awarded to many local groups and individuals in need.

## Arthur Rank Hospice Charity

Charity Registration Number 1133354

One in three of us will be diagnosed with cancer at some stage in our lives. The majority of us will be cured, but for those for whom no cure is possible, Arthur Rank House is here to help. We provide both practical care and emotional support for our patients and their families helping them to cope with the anxiety and fear they experience at a time of crisis in their lives.

Our charity needs to raise £1 million this year to ensure we can continue our work at the Hospice. The money raised from Bridge the Gap will help us to fund the Day Hospice - giving our patients and their loved-ones professional care, complementary therapies, creative activities and the mutual support of fellow patients. We cannot add days to people's lives but we add life to their days.
